Our Missing Hearts by Celeste Ng, tells an old story made new, of the ways supposedly civilized communities can pretend to ignore the most searing injustice. It's a story about the power—and limitations—of art to create change, the lessons and legacies we pass on to our children, and how any of us can survive a broken world with our hearts intact.

Our Missing Hearts is Ng's third best-selling novel.

Just us for a great discussion.

A big thank you to Jan Zausmer for a very fun and successful holiday challah baking event. Everyone brought home least 3 beautiful and delicious challot for their holiday tables. Most exciting, Jan volunteered to lead us in Hamantaschen baking for Purim. You won't want to miss that!
